I am a driven frontend developer, changing careers after managing high performing teams in the higher education field. Being a stay at home mom resulted in a 65% increase in both my time management skills and attention to detail. I'm proficient in Frontend UI technologies, and excited to contribute to innovative team projects.

Languages and Technologies

- Languages and Frameworks: JavaScript, Reactjs, Nextjs, HTML5, CSS3,
- Technologies: Figma, RESTful APIs, TailwindCSS, Bootstrap, OpenAI Api, Git, Command Line, Firebase

Projects
